

The Bankrupt Sale of the O. M. Hector Stock

Is offering bargains that were never before offered to Klamath County buyers and perhaps will never again be duplicated. This immense stock was purchased for 40c on the dollar by Mr. P. M. Reidy and as it was for an investment he is anxious to sell it out as fast as possible. With the addition of the new goods, which he bought through his manager O. M. Hector, who was fortunate enough to buy a lot of Drummers' Samples, which are always the best, and short lines of such merchandise as the manufacturer wish to turn in to cash, this merchandise was all purchased for cash. The prices paid for the "new goods" was about as low as the Store stock sold for. Hence these remarkable low prices. Don't miss this sale.

DUFFER IS NEW LONDON TRADE

WITNESS IN THE POLICE COURT TELLS OF OCCUPATION THAT HAS TO DO WITH GETTING THE BEST OF PAWNBROKERS

LONDON, Dec. 6.—"I am a duffer," said a witness in police court, when asked his occupation.
His explanation disclosed the fact that there hundreds of men in London who follow the profession of "duffing," or pawning jewels at a profit, and that there are concerns that manufacture articles, chiefly jewelry, for the express purpose of pawning.
"We simply back our judgment against that of the pawnbroker," said the "duffer," "and if he advances more than the article is worth it's his own lookout."

DEBATING TEAM FOR HIGH PICKED

FIRST TEAM WILL GO TO ASHLAND SOON TO DEBATE—MEMBERS ARE EXPERIENCED—SELECTION IS GOOD

The High School debating team has been chosen for the coming season. They were selected in a series of three debates which were held before the public speaking class, and will be the team which will represent the high school in a debate with the Ashland High on the 10th of January. Those on the first team are Forrest Peil, Edwin Cox and Ernest Nail. A second team was also selected, and Claire Heald, Helen Forest and Annie Hales will compose that team. It is planned to hold a debate between the first and second teams on the 30th of December, before the high school assembly, and the question for debate will be, "Resolved, That Capital Punishment Shall be Abolished in the State of Oregon." The first team will uphold the affirmative and the second team the negative. The question is the same that will be debated at Ashland, and the first team will have the affirmative at that place.
The first team is composed of experienced students, and there is no doubt of their ability to juggle words. Forrest Peil has been on the team for two years before this season, Edwin Cox for one year, and Ernest Nail is a member of the team for the first time. The team is being coached by Mr. Coates, who held that position last year.
The boys hope to be as successful as they were last year, when they defeated Ashland and Grants Pass, and thereby winning the championship for Southern Oregon. This phase of the school life has proven very satisfactory to the students, there being about twenty in the public speaking class.
